BEFORE:

Before Osanidde began, the orphans started a fire stealing gas at one o'clock in the morning in order to get food.

All the children coming to Osanidde had to be treated for worms from the lake water.

"...to look after orphans..."

"Religion that God our Father accepts as pure and faultless is this: to look after orphans and widows in their distress and to keep yourself from being polluted by the world." (James 1:27)

Osanidde Village is home to **160 orphans** on Bussi Island in Lake Victoria. Osanidde is pronounced "**Oh, Sunny Day**", which is very appropriate for these children who have been taken out of very poor and dangerous conditions and brought into a place of safety. Praise God!

Osanidde is operated by a Ugandan ministry called Lake Victoria Islands Child Care Uganda (LAVICCARE). Ongoing support for the children is provided through three ministries in the U.S., including Siloam Ministries. **Right now we are faced with a huge challenge** due to two factors: 1) Osanidde lost a large group of supporters in 2011, and 2) The cost of food in Uganda has increased by about 30%.

It now costs **\$50 per month** to adequately care for one child. However, if God leads you to sponsor a child, you may commit more or less than this amount. You will receive the child's picture and a report on their progress from time to time. Thank you very much for your prayerful consideration of this ministry.

AFTER:

The children live in 16 houses, each with a loving "Momma". There are also a chapel, classrooms, kitchen facilities, a medical clinic, and housing for other staff.

On their own, the children get up at 4:00 or 5:00 a.m. to pray. They really love Jesus!
